82 "MONKEYS" ON THE MONKEY BAR... Playground Director Eric Weida always wanted to know how many kids he could stuff together on the monkey bars at the La Grande Park. The photographer, always on the lookout for "cute" shots, convinced Eric to try it. "Everybody on the monkey bar," he called, and when the smoke cleared, there were 82 kids forming a pyramid on the monkey bars. Director Weida is at right, about to throw another "monkey" on the bar.
