A Play Is Born

The Scotch Plains Players prove that there is more to a play than footlights and acting. Shown from L to R are: Walter Nixon, set construction; Kendel Knous, set artist; Marilyn Mars, set artist; Bill Ardrey, president of the S.P. Players and Manny Goldfarb, set designer. Sets were built at the Barn on Cooper Rd. in Scotch Plains for the production of "Sabrina Fair" at the High School Nov. 13 and 14. (Staff Photo)
