"ALL THINGS CONSIDERED" refuses to join in the mourning and lamentation which swept the world on the news of Winston Churchill's death. In a review of past English heroes, the column contends that Churchill is as alive today as ever... and proceeds to tell why.

Aroused Citizens

MILITANT PETITIONERS line up to join the Community Association of South Scotch Plains. Scene was the South Side Firehouse last Monday, January 25th, when an overflow crowd protested vigorously the proposed multiple apartments in their area, and also expressed their determination to pursue plans which call for setting aside large tracts of land as part of the Green Acres program. Petitioners will make their plea to Union County Park Commission and appropriate town officials.
