### When the lights go on again all over Scotch Plains...

This is not a photograph of a bolt of lightning but a striking scene of the Scotch Plains Christmas illumination as the lights were turned on last week. In the background is the old Baptist Church on Park Avenue. All over the downtown section the Yuletide season was ushered in by brightly colored lights strung across the principal business thoroughfares. As in past years, the 1965 Christmas lighting project was sponsored by the Scotch Plains Businessmen's Association.
