

## Rotary Plans Youth Fund Campaign

The Rotary Club of Scotch Plains-Fanwood initiated plans for their annual Youth Fund program at their last weekly meeting. Co-Chairman Lloyd Koppe and Fred Chemidlin announced that that five team captains will be appointed to spearhead the drive to raise funds to support the campaign to be called "Share in Youth" will be kicked off on June 26 by Rotary President Robert V. Scalera and Vice President Pierre E. Peterson.

Koppe announced that a total of 41 awards will be made available for the drawing to be held during the month of October. The award of a 1969 Pontiac Firebird will be the major prize and the grand prize. Shares in the Youth project, Koppe stated, will be made available at the club's weekly meeting of June 26th. Returns from team members and the team captains will be posted weekly starting in July.

Chemidlin spoke on the merchandising aspect of the campaign and played a recording by Bill Come entitled "People Love to Buy." Verbal reminders, discoveries, motivations and talking with people were highlighted in the talk.

Edgar Hawley introduced and welcomed the guests and visiting Rotarians.

## Bank Displays Works Of Local Artists

An unusual educational display of the works of ten local non-professional artists is displayed in the Fanwood branch of the Plainfield Trust State National Bank. Each artist sees the same objects but does not attempt to copy the arrangement exactly, but adds, subtracts or rearranges the study as he or she wishes in order to make a pleasing composition. The different sensations of color are made possible only because each painter thinks differently as he faces his subject. The technical side of drawing and arrangement shows realism, design, and style.

Some of the paintings are not completed and show different stages of work the artist must employ before he signs his picture.

The paintings are loaned by the Scotch Plains-Fanwood Arts Association. The artists include Emma Scarpa, Mary Hovanec, Audrey Stepner, Marion Hansen, Linda Bock, Hilda Counts, Florence Christiansen, Joyce Gunnels, Vivian Davis and Louise Arnold.

## Bill Mason Honored

William Damon Mason of 14 Oxford Rd., Scotch Plains has been selected to appear in the 1968 edition of "Community Leaders of America." Other recipients of this honor include Governors, United States Senators and Congressmen of the various states. The publication includes many citizens such as educators, leading businessmen, members of state legislative bodies, civic and political leaders, elected leaders of various political subdivisions, farmers, ministers, officers of various trade organizations, leading sports figures, and many other individuals who, because of past achievement and service to their community, state, and/or nation, are recognized as community leaders of America.
