

Kiehn Named By Gross Committee

Assemblyman Herbert Kiehn of Rahway has been named chairman of the Nelson Gross for U.S. Senator Committee in the 12th Congressional district.

"I sincerely believe that Nelson Gross has the ability and the stature to give New Jersey the representation it deserves from its junior U.S. Senator," said Kiehn. "I think Nelson Gross also will make good on his promises to do more for New Jersey in the area of federal aid, an area in which we have been short-changed for too long."

Kiehn, who has lived in Rahway for 57 years, has been employed as an industrial advertising manager and editor. He has begun phasing out of commercial activities to devote full-time to his legislative duties.

Now in his second term in the state Assembly, Kiehn is a member of the air and water pollution and public health and insurance committees. Before his election to the Assembly in 1967, Kiehn served 30 years as a member of the board of adjustment in Rahway. He also was a member of the Republican County Committee and president of the Rahway Republican Club.

He is a member and past master of Lafayette Lodge, F. and A.M. and Salaam Temple of Shriners. Kiehn is a recipient of the Legion of Honor Award from the order of DeMolay.

Kiehn also served as a director of the Rahway Athletic League and President of the Rahway High School PTA. He is a director of the Kiwanis Club and a former chairman of its public and business affairs committee. In addition, he is a member and former trustee of the First Presbyterian Church of Rahway.

Kiehn and his wife Ida are the parents of two married sons. They also have three grandchildren.
