LADY LIBERTY TO BE PRESENTED BY YOUNG PEOPLE'S THEATRE

Young People's Theatre will present "Lady Liberty" on February 8, from 2:30 p.m. - 3:30 p.m. at Terrill Middle School, Terrill Road, Scotch Plains. The show will be performed by Theatreworks USA.

Like the great statue referred to in the show's title, Lady Liberty is a story built on vital ideas that characterize America: acceptance of diversity, freedom from persecution and opportunity for success. The search for freedom and for meaningful, profitable work in this "land of second chance" has brought millions of newcomers to New York's harbor, where they have been thrilled by their first view of the Statue of Liberty. America has much to offer its new citizens, but, success is not just there for the taking. It requires hard work, tenacity and a willingness to share what is within oneself--one's ideas, talents and spirit. In America, then liberty means not only the freedom to receive but also the freedom to give.

Tickets will be on sale at the door for \$2.00 per person.

ATHLETIC BOOSTERS 6TH ANNUAL "QUARTER-DIP"

Its that time of year again! The Scotch Plains-Fanwood High School Athletic Boosters will host their fifth annual "Quarter Dip" on Wednesday, February 12, from 6:00 to 8:00 P.M. in the High School cafeteria.

"This event has become a very popular evening meal out for the community," states Booster President Bob Grote. "It gives people from the community a chance to eat a very inexpensive, and fine meal, while at the same time being able to socialize with neighbors and friends. We hope the community will come out and eat with us on February 12."

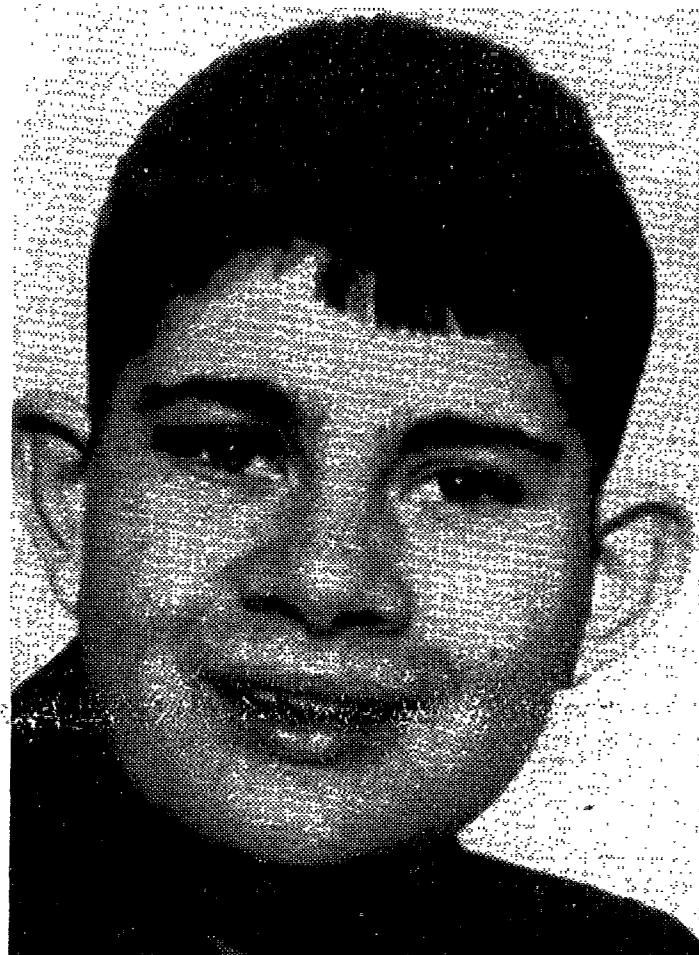

The "Quarter Dip" gets its name from the way it is set up. Athletes' parents donate all kinds and varieties of food dishes, and they are set up buffet style. As you go through and pick out what you would like to eat, you pay only a quarter for each "dip" of food you take. It is a very inexpensive meal. The variety of food is endless.

Proceeds from the evening help to support the athletic programs at the High School. Each year the Boosters give out college scholarships to deserving athletes, host numerous awards presentation ceremonies, provide supplies to various teams, host the Senior Athletes Awards dinner in the spring, and numerous other activities.

We need your help in locating these children
