Project Graduation '92... be a part of the action

Plans for Project Graduation 1992 were shared at a recent meeting for all interested parents.

Once again, SPFHS seniors will be invited back to the high school the night of graduation (June 23) where they will board buses that will take them to the Madison Y for the all-night celebration. Dancing, swimming, volleyball, basketball, refreshments and some surprises are being planned for the graduates. The seniors will return to the high school approximately 5:00 am the next day where they will be treated to a breakfast.

"Project Graduation started in Scotch Plains-Fanwood High School two years ago and has become more and more popular with the graduating class. As in the past when over 90% of the seniors attended, we are looking forward to 100% of the class joining the celebration this year," said Kathy Koster, Project Graduation 1992 co-chairperson. "Drugs and alcohol are not necessary ingredients for a successful and fun-filled party. The students who have participated in past celebrations had marvelous times in this safe, drug-free environment."

Judy Dillon, co-chairperson with Mrs. Koster, added, "Since the inception of this event two years ago, we have received overwhelming support from the students, school staff, Board of Education, Superintendent, and community members-at-large, which indicates that we are communities who truly care about the safety and

welfare of our students as they leave our high school to pursue their individual goals. We are sincerely grateful for this encouragement and involvement."

Fundraising efforts are on-going to meet the expenses of Project Graduation. Anyone interested in sending a donation can do so by making a check payable to SPFHS PTA

and mailing it to Scotch Plains-Fanwood High School, Westfield Rd., Scotch Plains 07076, Attention: Project Graduation.
