Fanwood Rescue Squad launches Fund Drive

For the past 44 years the Fanwood Rescue Squad, a 100% volunteer, non-profit organization, has proudly served the residents of the town of Fanwood providing emergency care to the sick and injured. This service is available 24 hours a day, seven days a week.

The annual appeal for donations has now been mailed to the community. Each resident is asked to remember that the ability of THEIR squad to continue to provide this service is wholly dependent upon the financial support of the residents of the community. Please mail in your contribution today and support the Fanwood Rescue Squad, in their continuing service to the community and enable them to be there for you in the future.

These poster contest winners "Ride With Pride"

In conjunction with May being Child Safety Month, the Scotch Plains Health Advisory Board and the Scotch Plains Police Department sponsored the "Ride With Pride, Be A Cruiser Not A User" poster contest.

Sergeant Ron Donnelly was on hand at a recent Township Council meeting to congratulate the following award winners:

1st Place in Grade Category: 1st & 2nd, Benjamin Flath, McGinn School; 3rd & 4th, Eric Puglia, St. Bartholomew and Jarel Foster, McGinn School. Each winner in this category was awarded a brand new bicycle from The Bike Stand in Scotch Plains.

Runners-up, receiving a bicycle safety helmet from Jays Cycle Center in Westfield, were 1st & 2nd Lisa Schwahl, Evergreen; 3rd & 4th, Doug Gillie, McGinn and 5th & 6th Nicholas LaCosta, Park Middle.

Front row, left to right, Lisa Schwahl, runner-up; Benjamin Flath, 1st place winner and Doug Gillie, runner-up.

Back, from left, Nicholas LaCosta, runner-up; Eric Puglia, 1st place; Sergeant Ron Donnelly and Jarel Foster, 1st place winner.

Sergeant Donnelly acknowledged several township residents and merchants, who without their generosity and concern for our children, this would not have succeeded. The bicycles were made possible by Dr. Robert

Fallon, George Pantagis John Wilson and Norman Dutch Sevell. Dib and Shamba Matra provided funds for the helmets. A special thanks went to Bernadette Stoecker and Dominic Verdic for sponsoring the Bicycle Safety &

Helmet program with generous donations.

In closing the sergeant reminded all parents of children under the age of 14 that as of July 1, 1992 it will be mandatory to wear a bike helmet.

"Social Event of the Year" was a spectacular success

The Scotch Plains-Fanwood High School DECA Chapter, an Association of Marketing students held its 22nd annual Recognition Banquet at L'Affaire Restaurant before a capacity audience of 480 guests, and, as usual, the banquet, referred to by many as our community's "Social Event of the Year" was a spectacular success. The entertaining and fast paced evening was planned and organized entirely by the 90 member, civic-minded DECA organization. The purpose of the banquet was to recognize business and civic leaders and students who participated in the High School's Marketing Program and who assisted in DECA's over 25 community activities during the year.

DECA models Tanaisha Fisher, Luis Jimenez, Sandy Banic and Eric Allen show off their outfits during the colorful fashion show sponsored by Sears and Beautiful Things.

Among the guests were state and local political leaders, local business

men and women who worked with DECA students during the year,

school administrators and teachers, members of civic groups, parents and alum-

ni. In addition to the great many awards given out, Please turn to page 11
