Fanwood Board of Adjustment OKays
Six-Foot Fence on Belvidere Home

Built Variance Granted for Existing Deck on Terrill Place Residence

By SUZETTE STARKER

The Fanwood Board of Adjustment on Thursday approved a request for a six-foot fence.

Mr. & Mrs. Richard Mojica of 12 Terrill Place successfully appealed to the Fanwood Board of Appeals last Wednesday to have a six-foot fence installed on their property. The couple required a variance for the fence, which was built on their property next to the property of Ms. Josephine P. Smith of 16 Terrill Place.

The board subsequently reviewed the case on Tuesday, May 14, and agreed to the variance.

The project will include four new homes which will be constructed on the west side of Terrill Place, between Randolph Road and Roundtop Road.

The council has decided on the following dates for this event:
- **Wednesday, June 12, 5:30 p.m.**

Hillcrest Academy Completing First Year in Scotch Plains

Students Performing Community Service at Westfield School in Mountainside

When Union County Educational Services Committee of Scotch Plains-Fanwood held its monthly meeting on Tuesday, May 14, in Scotch Plains, many community members gathered to hear about the activities and achievements of the Hillcrest Academy.

The Hillcrest Academy, located at 50 East Hillcrest Avenue in Scotch Plains, offers special education services to students with multiple and orthopedic disabilities. The academy introduced several new programs during its first year, including a focus on community service.

The academy's director, Ms. Rose Marie Dutter, presented an update on the progress of the school and its students. She highlighted the importance of community service, stating that it helps students develop essential life skills and prepares them for success in the workforce.

The Hillcrest Academy has initiated several community service projects, including partnering with local businesses to provide work experience opportunities for students.

In addition, the academy has hosted several events to raise awareness about the needs of students with disabilities. These events have provided opportunities for communities to come together and support the students.
